EDUCATION

SDGI Global University | Ghaziabad, India

B.Tech (Hons.) in Artificial Intelligence & Machine Learning | 8.50 CGPA | Expected: 2028

CBSE Board - 12th Standard | 66% | 2024

CBSE Board - 10th Standard | 60% | 2022

PROJECTS

FinnSays Market Intelligence Platform | Next.js, TypeScript, REST APIs, Vercel | Jan 2025

- Engineered a full-stack fintech web application tracking 91 live global assets (equities, crypto, metals, commodities) with real-time price feeds via Yahoo Finance and Finnhub APIs.
- Designed a multi-source data aggregation layer handling concurrent API calls, rate-limit fallbacks, and graceful error recovery to maintain sub-second refresh latency in production.

BRAIN MENTORS: A School of Full Stack Web. Data & AI Engineering.

CERTIFICATE OF COMPLETION WORKSHOP ACHIEVEMENT

- SDE Unlocked workshop [Brain Mentor Certificate.pdf](#)

TECHNICAL SKILLS

Languages: Python, Java, C, C++

Web Technologies: Next.js, TypeScript, REST APIs

Developer Tools: Vercel, Git, GitHub

Computer Skills: MS Word, MS Power Point, MS Excel, Computer basic typing etc .

CERTIFICATIONS

AI for All - AI and Cybersecurity Awareness | TCS iON & MPIT-COE | April 2026

- Successfully completed an intensive initiative focused on foundational artificial intelligence and cybersecurity principles.

SDE UNLOCKED | Brain Mentors (A School of Full Stack Web, Data & AI Engineering)

- Completed an intensive hands-on workshop demonstrating technical proficiency in software development.

EXTRACURRICULAR ACTIVITIES

- Active participant in competitive Volleyball, fostering strong teamwork and communication skills.
- Enthusiastic traveler, showcasing adaptability and a willingness to explore new environments.
